

Spanish Immersion Program

Imagine Early Education and Childcare is excited to announce the roll-out of a Spanish Immersion Program. Preschool and PreK aged children placed in designated classrooms will experience both English and Spanish dually throughout the day. Teachers will speak and read in both English and Spanish to create an enhanced learning environment.

Our Spanish Immersion Program offers numerous benefits for young children and their cognitive, social, and cultural development. Here are some of the key advantages:

PROGRAM FEATURES

- Early Language Acquisition
- Cognitive Development
- Cultural Awareness
- Enhanced Communication Skills
- Improved Academic Performance
- Increased Flexibility and Adaptability
- Preparation for Future Language Learning
- Parental Involvement

It's important to note that these benefits may vary depending on each child's developmental level and individual experiences. Our goal at Imagine Early Education and Childcare is to create engaging learning environments that fosters a love of learning and helps each child grow at their own rate.
