

2026 SUMMER CAMP

— Early Education & Childcare —

Eagle Springs

Welcome to Summer Camp at Imagine

Where Learning Meets Adventure!

At our summer camp, we offer a safe, nurturing, and exciting environment where children grow, explore, and make lifelong memories. With a thoughtfully planned program rooted in creativity, active play, and hands-on learning, each week brings new opportunities for discovery and fun!

STEAM-Based Activities

Learning through Exploration

Our camp is filled with hands-on activities focused on **Science, Technology, Engineering, Art, and Math (STEAM)**. Campers will design and build projects, explore experiments, and engage in creative thinking.

Creative Arts & Crafts

Imagination Unleashed

Campers will explore various mediums such as painting, sculpting, collage, and more. Each project is designed to support self-expression and creativity while also developing fine motor skills and confidence.

Outdoor Play & Fitness

Energy, Movement, and Teamwork

Daily outdoor time includes active games, obstacle courses, water play, and team sports. We focus on promoting health, coordination, and social skills through movement-based fun.

Culinary Adventures

Tasty, Hands-On Fun

Campers will learn basic kitchen skills with no-cook recipes and themed snack-making activities. We'll explore nutrition while creating fun, edible art projects—all allergy-aware and kid-friendly.

Performing Arts & Expression

Sing, Dance, Act, and Shine

Whether through talent shows, skits, or dance parties, campers build confidence by expressing themselves. Activities support social-emotional growth and encourage teamwork.
